

RNA Canada: RiboClub 2025 Travel Fellowship Application Form

The RiboClub Society (in partnership with RNA Canada and the RNA Society) offers a limited number of fellowships to support **students and postdoctoral fellows** who otherwise would not be able to attend the meeting for financial reasons. In most cases the fellowships will be made in the form of reduced participation fees. No more than one fellowship per research group will be granted.

The application deadline for all travel fellowship/awards is **June 8, 2025**. Request will be reviewed by a committee of student peers, members of the RiboClub, and decisions will be communicated by email no later than **June 20, 2025**. Please wait for results before registering as a special registration link will be used for travel fellowship winners.

If you wish to apply for a fellowship, please fill this pdf form, save it and send it as file attachment by email to fellowship@riboclub.org
